DERMAQUEEN HEALTHCARE

SCIENCE FOR HEALTHIER SKIN

At Dermaqueen Healthcare, we have two principles to guide us.

1) We only sell to doctors directly.

That's right, no online sales, no intermediaries, we sell direct to doctors to minimize marketing expense and bring medicines to patients at the best possible prices.

2) Our manufacturers are handpicked for quality .

While we handle all the marketing and logistics ourselves, we outsource the manufacturing. Our manufacturers are making medicines for reputed companies such as Cadila, Mankind, Eris Lifesciences, Harriet, Welt etc.

We empower doctors to support patient care.
